Menat, as the best combined Reaping and Mowing Machine at the great United States Agricultural Fair, held at Louisville, Ky., in September, 1857. The trial came of near Syracus, New York, in July, where all the prin. hyal Machines in the United States were thoroughly tested. The committee made their awards through Marshal P. Wilder, President United States Agricultural Society, at Louisville, Ky.

It also received the ward as the best Reaper, and as the best Mower, before two separate committees, appointed by the President of the Davidson County Agricultural Society, at Nashville in July, 1857, over most of the machines now in use in Tenn.

Numerous other premiums and awards were given this Machine during the last senson, over every Machine in America.

The above machines are for sale by the undersigned.
